

**Triton Logistics & Maritime Pvt. Ltd.**

***Spokesperson's profile:***

**Mr Jitendra Srivastava, CEO of Triton Logistics & Maritime**

Visionary, strategist and go-getter, Jitendra Srivastava, the dynamic CEO of Triton Logistics & Maritime is the man behind Triton Logistics & Maritime's nimble, agile and best-in-class operations. A stalwart of the logistics and maritime industry with over 25+ years of experience in International Freight Forwarding, Global Sales, Supply Chain and Logistics, Mr. Srivastava has ensured smooth sailing for TRITON LOGISTICS & MARITIME's clients through the company's innovative, efficient and time-bound deliveries.

A veteran with years of experience creating, training and developing result-driven teams, Mr Srivastava is a respected figure in the global logistic landscape and has guided Triton Logistics & Maritime through the choppy waters of international trade, environmental challenges and shifting market dynamics.

Under his leadership, Triton Logistics & Maritime has established a reputation for unparalleled customer service and satisfaction. Mr Srivastava's focus on customer development, revenue growth, operational efficiency, financial management and employee motivation has been instrumental in Triton Logistics & Maritime's stupendous rise in the maritime and logistic sector.

A stickler for best practices, his strategic acumen and expertise in building and maintaining strong client relationships have made Triton Logistics & Maritime the preferred partner in the logistics industry. Under his leadership, Triton Logistics & Maritime has relentlessly pursued excellence resulting in the company creating and building digital solutions for logistic problems. This has helped develop a logistic ecosystem that is time-bound, cost-efficient and sustainable while providing excellent customer service and hand-holding.

In his previous stints, Mr Srivastava has managed diverse leadership positions in India and South East Asia and has worked in various leadership roles with Kuehne+Nagel, BAX Global, Panalpina and Ahlers.

As a thought leader, Mr Srivastava is a much sought-after speaker and strategist sought by various networks, forums, and associations. Over the years, he has made significant and
