

Triton Logistics & Maritime Pvt. Ltd.

Company profile:

Triton Logistics & Maritime Pvt. Ltd

For over two decades, Triton Logistics & Maritime Pvt. Ltd, a freight forwarding company founded in 2001, has been the logical choice for millions of clients facing an international logistic challenge by air, sea or road.

Triton Logistics & Maritime boasts unparalleled expertise in end-to-end logistics and supply chain services thanks to the seamless blending of its global capabilities and local competencies.

The company's operations are based on the belief that efficient, quick and effective logistics can be the game-changer for any business - be it a conglomerate looking to ship climate-sensitive pharmaceuticals or a start-up that wants to deliver an odd dimensional cargo.

The asset-light nature of Triton Logistics & Maritime's operations has allowed it to offer a suite of services, be it Freight Forwarding, Multimodal Transport, Supply Chain Management or Specialized Packaging Solutions, that are both agile and adaptable.

Over the years, Triton Logistics & Maritime has been improving and expanding its global footprint through mutually beneficial partnerships. With presence in Mumbai, Delhi, Gujarat, and Chennai in India and a global presence in Dubai, Singapore, Malaysia, Taiwan and The US, Triton Logistics & Maritime is not just about delivering a consignment from a point A to point B but offering clients bespoke solutions that understand and address their unique concerns. These solutions range from Port-to-Port to Door-to-Door logistics, including customs clearance, warehousing, and distribution.

The company has been pioneering trend-setting logistic solutions through massive investment in technologies and real-time tracking systems which allows each shipment to be delivered with care and precision irrespective of the environment or geo-political disruptions happening around the world. This unique blend of cutting-edge digital interventions, customized hand-holding and dedicated customer service through its experienced employees has enabled Triton Logistics & Maritime to build strong partnerships with over 100 global partners and moving diverse industry shipments across the world so far.

A certified and licensed Multi-Modal Transport Operator (MTO), Triton Logistics & Maritime is also a member of FIATA, Federation of Freight Forwarders Association of India (FFFAI) and is registered with the Federal Maritime Commission (FMC), US, Advance Manifest System (AMS).

Its commitment to the highest standards in logistics has made it a valued member of various global logistic networks including the World Cargo Alliance (WCA) Interglobal and Cross Trades (CT-OBL). It is also in the process of obtaining an IATA license and ISO certification and will soon have an AEO status.

Triton Logistics & Maritime Pvt. Ltd.

Backed by the Abrao Group and a host of other investors, Triton Logistics & Maritime also boasts strategic partners across the globe, giving it unparalleled connectivity and access to every corner of the world.

Triton Logistics & Maritime's logistic offerings also tend to be sustainable solutions that help companies and countries in their climate change goals. A combination of green technology and eco-friendly practices, like the use of carbon-neutral routes and innovative partnerships, have helped Triton Logistics & Maritime optimize its supply chain processes to be both sustainable and efficient.

In a world where trade dynamics are constantly evolving, Triton Logistics & Maritime is setting the narrative, helping clients navigate complex customs regulations and quickly adapt to market realities.
